Turnitin 論文原創性比對系統說明

► Turnitin System Brief Guide

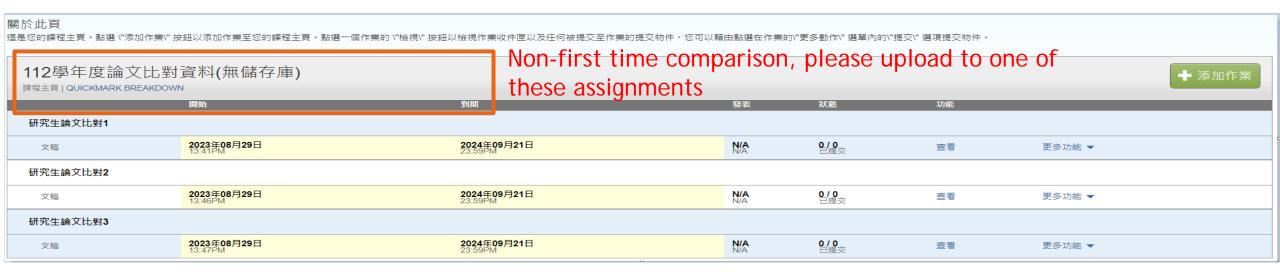

電機系

Turnitin System Brief Guide

- 112 Academic year
- 無儲存庫課程代碼:39168023
- 有儲存庫課程代碼:39168011
- Password:112elec

- In the new academic year, the administrator will create the latest class file. Applicants can refer to the course id and password on the left-side picture for registration and then you'll see all the assignment inboxes.
- ► There are four assignment inboxes, the title of each inbox: 儲存庫、比對1、比對2、比對3.
- Avoid preventing copying from the internal units, please upload to an inbox called 儲存庫 for the first-time comparison only.
- ▶ If the revised thesis needs comparing subsequently, please upload it to 比對1、比對2、比對3.
- Since the first-time uploaded thesis has been transferred to the cloud storage, it might lead to high similarity in subsequent detection.
